RULEBOOK

1. Makeathon 3077 is an ONLINE Hackathon of duration 36 hours, beginning on 5 March 20:00 hours and ending on 7 March 08:00 hours.

2. It is a team event, with team size ranging from 2 members (minimum) to 5 members (maximum)

3. It is an inter-college open for all hackathon and there are no restrictions on the diversity of team members i.e. team members can belong to different colleges or different years.

4. For participation, all the teams need to register for Makeathon 3077 through Devfolio (Devfolio Account Mandatory) before 28 February 2021.

5. Registrations are accepted through Devfolio only, no other mode of registration is available/valid.

6. The registration is free of cost, there's no participation charge. The team needs to register as a whole, all the participants needn't register individually.

MAKEATHON 3077

RULEBOOK

7. It is mandatory for all the team members to join the official Discord Server of Makeathon 3077. Failing at the same might lead to team disqualification.

8. Each team will have it's separate voice channel in the server. There will be random progress visits by the organising team during the 36 hour hackathon, in which team members need to be present.

9. During the 36-hour long interactive hackathon there will be 4 checkpoints which will be a basis of evaluation of the team. ALL the team members should be PRESENT in their team's voice channel at ALL checkpoints.

10. The deadline for submission of the respective hacks will be 08:00 hours on 7 March 2021. All the submissions will take place through Devfolio, no other mode of submission is accepted/valid.

11. After the submission of the hack, pitching of the ideas will take place from 10:00 hours onwards. ALL the team members need to be PRESENT at the time of the pitching.

MAKEATHON 3077

RULEBOOK

12. The winners will be decided on the discretion of judges and the organising team, there shall be no revelation of the evaluation criteria. In case of any conflict, the decision of the organising team will be considered final.

13. The code of conduct and discipline shall be maintained on the official discord server of Makeathon 3077. Disobeying any of the above rules or reporting of any unforeseen/disrespectful incident to the organising team is liable to action and might lead to disqualification.
